ELECTRONIC CASH REGISTER

Typical Italian design, silent and reliable alphanumeric thermal printer, large lockable cash drawer with removable tray: these are the distinctive features of the Olivetti ECR 7700 LD^{eco}, tailored for small and medium size retailers.

Olivetti has also been committed to make its own contribution to environmental protection. This ECO-Friendly cash register that respects the environment is produced using recycled plastic that can be recycled again at the end of the product's life.

ECR 7700 LD^{eco} also has a low energy consumption, thanks to the automatic switch-off of the display after 15, 30 or 60 minutes of inactivity, thus allowing energy savings.

Its full printing capabilities are very easy to manage: the operator uses the cellphone-style keypad to key in the programmable business info or promotional messages to be printed on sales receipts. Scalable fonts reduce paper consumption and the drop-in loading system makes changing the roll a snap, keeping customers and cashiers happy.
